Dear Colleague,

We are excited to invite you to the 12th Multi-specialty Medical Mega Conference (MMMC), held at Kerry Hotel, Hong Kong on 3-4 September 2022.

Our new venue has more space and modern amenities to provide a safe place for you to catch up and discuss. Our lectures, including a COVID-19 symposium, will also be livestreamed to colleagues who are engaged elsewhere.

MMMC2022 continues to be a joint endeavour from 67 local and international medical societies. Through our 28 wide-ranging sessions, two topical lunch symposiums and one plenary session, we hope to create a shared platform for multidisciplinary exchange and collaboration.

As we cautiously and collectively turn the page within the healthcare sector and across society, we hope you will join us this September.

Yours sincerely,
